Date: November 12, 2014

Bulletin: No. 2014-21

Subject: **Simplified Access to POST's Online Resources**

Beginning in November 2014, POST will simplify access to online resources, including the POST Website, Electronic Data Interchange (EDI), Learning Portal, Basic Course Website, and more.

Access to all of POST's online services will be consolidated into a single sign-on (username and password) using "POST PASS".

POST will deploy PASS in stages, beginning in November 2014 with the POST Website. Once all phases are completed in 2015, users will have a single username and password to access all of their POST online accounts.

The sign in screen, shown below, will look noticeably different from the current screens for each of POST's online resources. In addition to being more convenient to use, PASS improves security and allows POST to deliver relevant content to users of POST online resources.

POST is requesting that users of POST online resources click on "create account" and follow the one-time instructions for creating their PASS accounts when presented with the new POST PASS screens.

A screenshot of the POSTPASS web application. The header shows the 'CA.GOV' logo and the 'POSTPASS' logo. The main content area is a dark blue box with a white border. It contains the text 'Create Account [or sign in](#)' and 'Please provide with the following information to create your account.' Below this are three input fields labeled 'Email:', 'Password:', and 'Confirm Password:'. At the bottom right of the box is a yellow button with a plus sign and the text 'CREATE ACCOUNT'.

Questions regarding PASS may be directed to Computer Services Bureau Chief, Colin O'Keefe, at (916) 227-3914.
